Poster Session – Canteen proximity - 2:30 PM - 4:30 PM

In the afternoon of the first day, we will be organizing a poster session. This will be an excellent opportunity to explore the various projects and research initiatives presented by our participants.

During this session, attendees can also request appointments for bilateral meetings, which will take place on the second day of the event.

Please visit the designated registration area during the poster session to schedule your bilateral meetings.

We look forward to your active participation and fruitful discussions.

Guided Tours - 2:30 PM - 4:30 PM

A guided tour in English language will cover:

- The exhibitions set up at the headquarters;
- A description of the displayed models of probes and space vehicles;
- The activities of the Agency and Italy in the space sector in all its aspects.

We look forward to providing you with an informative and engaging experience.

Bilateral meetings (Upon Request only in person)

The afternoon of the second day will be entirely dedicated to bilateral meetings. These meetings will have been scheduled on the first day of the event during the poster session.

Participants are encouraged to make the most of these one-on-one sessions to foster collaboration, discuss potential partnerships, and delve deeper into specific topics of interest.

Please refer to the schedule provided at the registration desk for your specific meeting times and locations.

We anticipate productive and engaging discussions during these meetings.
